Monthly Surveys:

Your satisfaction as a customer is very important to us, we send out a monthly “Service Satisfaction Survey” to make sure all services being rendered are up to YOUR satisfaction. This serves us well knowing you are being served properly and serves you well knowing what we, as a service company can strive to do better.

Our “Iron Clad – Power Guarantee”

When we say your satisfaction is guaranteed, we mean it! Companies throw that phrase around all the time, the phrase becomes diluted and means very little any more.

When we say your satisfaction is guaranteed with our “Iron Clad – Power Guarantee” I mean if you are not happy with a service, and we cannot correct it to your satisfaction, we will literally pay a contractor of your choosing to correct the issue at hand.

When I say we only want 100% satisfied clients, **We Mean It!**
