

## **About Us!**

**We are a 20 + year experienced landscape and maintenance company focusing on commercial and residential properties.**

**We are skilled, trained, uniformed professionals who are committed to honesty, integrity and customer satisfaction.**

**Our equipment and vehicles are clean and maintained, as we take pride in our equipment, appearance and every property we service.**

## **Our Mission and Purpose:**

**Acquire clients with fair pricing and knowledge. Keep a client with excellent service to gain your trust in our company, to develop a long - term business relationship.**

## **Our “Power Guarantee”**

**Companies throw that phrase around all the time, and it becomes diluted and means very little any more.**

**Our “Power Guarantee” means if you are not happy with a service, and we can not correct it to your satisfaction, we will literally pay a contractor of your choosing to correct the issue at hand.**
