

**Fall Clean-up:**  
**Leaf Removal-Blowing-Hauling**

**All leaves shall be removed from turf areas, walk ways and beds etc. Leaves shall be tarped and dumped in wooded areas on-site, blown into woods on-site or tarped and hauled to transfer station for dumping (fee will be added).**

**Number of times client wants leaves removed per Fall season and the way leaves are cleared and disposed of will be a factor of price.**
